Community property

Author's Notes:
A little drabble told from Dave\'s point of view. With the lamest title in existence ever.

David wasn't like Lars.

Lars wore lipstick. Went clubbing. Fucked with everyone he found attractive... Which was probably 99% him getting fucked and 1% him fucking. You could bang him in a dirty alley -I dare to say, without protection- and he would enjoy it so fucking much I can't even tell you. And he gave sloppy (but honestly good) blowjobs whenever you wanted him to.
Oooh, he was a total slut. He loved spreading those damned legs of his.

That, David did too. But my baby wasn't like Lars at all.

Lars was community property. A whore.

David is only mine. My whore.
